ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed September 1, 2005, to revive the above-identified application.

The petition is granted.

This application became abandoned on July 15, 2005 for failure to timely file the issue fee and corrected formal drawings on or before July 14, 2005 as respectively required by the Notice of Allowance and Fee(s) Due and the Notice of Allowability, both mailed April 14, 2005. The filing of the present petition precedes the mailing of A Notice of Abandonment.

Petitioners have filed the issue fee and corrected formal drawings, an acceptable statement regarding the unintentional nature of the delay in responding to the April 14, 2005 Notices, and the petition fee.

After the mailing of this decision, the application will be forwarded to Publishing Division for processing into a patent.

Telephone inquiries concerning this matter may be directed to the undersigned at (571) 272-3230.
